

ELEVATE YOUR EMOTIONAL INTELLIGENCE

Everything DiSC Workshop

Emotional Intelligence (EI) is more important than your overall intelligence, or IQ, when it comes to success in your career and life in general.

Emotional Intelligence refers to the skills and abilities that help you identify, understand and manage your own emotions and identify and empathize with the emotions of others.

The Everything DiSC Workshop is an excellent tool to enhance the Emotional Intelligence of all those who participate and to improve teamwork, communication, and productivity in the workplace.

During the half or full day workshop, the participants will:

- ✓ Gain an understanding of their assessment results and self-awareness of how and why they respond in particular ways.
- ✓ Learn how to alter their communication style to improve success with customers and co-workers.
- ✓ Diffuse conflict by understanding how to identify what is important to others.
- ✓ Improve leadership skills to build stronger teams and retain quality employees.
- ✓ Understand the value of diverse skills and styles when it comes to working together as a team.
- ✓ Become comfortable utilizing the Catalyst platform to continue learning and improve relationships with co-workers.
